Legislation	Summary	Status
LD 227	<i>An Act Regarding Health Care in the State</i> , sponsored by Rep. Anne Perry, will protect Maine's providers of reproductive care and care for transgender people from attacks based on harmful laws in other states.	SIGNED INTO LAW!
LD 780	<i>Resolution, Proposing an Amendment to the Constitution of Maine to Protect Personal Reproductive Autonomy</i> , sponsored by Sen. Eloise Vitelli, would have enshrined the right to reproductive autonomy in our state's constitution. This proposed constitutional amendment required a 2/3rds majority vote in both chambers to advance. If the bill had advanced, it would have allowed voters to cast ballots on enshrining the right to reproductive autonomy in the state constitution.	VOTED DOWN
LD 1478*	<i>An Act to Improve Women's Health and Economic Security by Funding Family Planning Services</i> sponsored by Sen. Teresa Pierce, would have established state funding to support Maine's family planning services health care infrastructure. This funding would have helped ensure access to critical disease prevention and essential reproductive health care including birth control, particularly for low-income, underinsured and uninsured Mainers.	CARRIED OVER. UNLIKELY TO MOVE FORWARD
LD 2203**	<i>An Act to Require Health Insurance Coverage for Federally Approved Nonprescription Oral Hormonal Contraceptives and Nonprescription Emergency Contraceptives</i> , sponsored by Rep. Poppy Arford, would have required require health insurers to cover FDA-approved, over-the-counter oral contraceptives without cost-sharing.	CARRIED OVER. UNLIKELY TO MOVE FORWARD

*Passed major legislative hurdles and in process at the end of legislative session. Bill carried over pending a potential special session. Engrossment vote occurred in 2023, with additional votes in 2024.

**While this bill passed both chambers and secured funding, it ultimately was not signed into law due to procedural issues. Bill carried over pending a potential special session.
